

# Summer Day Camp

Campers explore the forests, streams, and wildlife of East Texas through hands-on investigations. Professionals share their in-depth knowledge in a relaxed atmosphere and encourage campers to expand their knowledge and experiences in our unique ecosystems. Be ready to sing your favorite camp song, eat delicious snacks, and meet new friends! Scholarships are available.

# Nacogdoches Naturally

## Outdoor Adventures for Families and Kids

*Nacogdoches Naturally is made possible through a grant from the Texas Parks and Wildlife Department Community Outdoor Outreach Program.*

## Looking for Outdoor Adventures in Nacogdoches?

If so, then Nacogdoches Naturally is just for you! Come and explore the natural treasures of East Texas with us.

Join SFA staff, students and volunteers as we visit outdoor recreational areas in and around Nacogdoches. Develop your skills in hiking, fishing, camping, canoeing, outdoor cooking, bird watching, gardening and more.

Participate in the restoration of critical wild-life habitat. Enjoy discovering our local plants and animals.

In 2009-2010, Nacogdoches Naturally offers three types of programs through the Pineywoods Native Plant Center at Stephen F. Austin State University:

- Monthly weekend family programs
- Weekly after-school programs (through Boys and Girls Club of Nacogdoches)
- Summer day camps for ages 4-15
